FAQ'S

WWW.USDIAGNOSTICS.COM (Continued from front)

What does it mean if a test has a very light test line?

The presence of a very light "T" line, no matter how faint, is a **Negative** test.

For questions or comments please contact us at: questions@usdiagnostics.com.

Why don't you go to "About USD" and click on "Staff" to see our team.

We think this new website will help us serve you better, and we hope you will check it out soon.

You can also help us by letting others know about it. If you have a friend or associate we could serve, please send them the link to our site.

Then, you would be helping them find a good company to meet their needs, and you will help USD by connecting us to people we could become great partners with in increasing workplace safety.

So don't wait! Go now and check out our new site at: www.usdiagnostics.com.

USD Employee Screen

Ever wonder who you are speaking with at USD?

Brian Drake has been an employee with USD for 3 years. He started out as a Sales

Executive and now serves as USD's Senior Account Manager. Brian has a bachelor's degree in Business Administration from the University of North Alabama in Florence. This Huntsville, AL native likes sports and antique cars, and in his free time, he loves spending time with his wife Raychael and their daughter, Anna Grace. Brian and his family are looking forward to the arrival of a new addition to their family, a baby boy, in March.

HAVE YOU HEARD?
